Dear Ted,

It was good to receive your letter and I very much appreciated ^{your} comments. However, I now realize that a rush job will have to be done on these door tags. I need two things to get this job done by the 8th... first, the assurance that there will be someone in N.H. to deliver them (i.e. heelers), and second, the copy of ~~the~~ the tag I sent to you. The first request is priority, but in any case, an urgent answer is needed. As when I wrote you last, "It may be too late..." Thanks again for your letter.

Ken
